

Munster League

We are less than a third of the way through the 2015/2016 Munster League season and last years Champions, Cork are already showing that they won't relinquish their grip on the title easily. They lead the way with 4 match wins from 4 and 16 points scored from a possible 20.

Ennis A are in second place with 3.5 match wins ahead of Adare, Sarsfields and CCYMS who are all on two. Towards the bottom of the table Limerick A are just ahead of Ennis B with newly promoted Tralee currently occupying last place and yet to get any match points.

The next round of matches is scheduled for the 10th January and features some interesting clashes not least of which is first versus second as Cork play Ennis A.

Division 2 features just 5 teams this year and is scheduled to start in January. Charleville, relegated from Division 1 last season, will probably start as favourites in this division. If there are any other teams which would like to enter Division 2 contact Ray O'Brien on 087-9879172. All fixtures and results to date are available at www.munsterchessunion.org.
